

# Toknawv Vhecetv "To Take Care of Money"

*\*\*\*Mvskoke Language Preservation Program and MCN Department of Higher Education Collaboration*

Dear Mvskoke Scholar- Preparation and planning were some of the keys to our culture as Mvskoke people. Church and ceremonial communities prepare for their functions well in advance to ensure community needs are met. Additionally, both of these concepts are important to your collegiate experience as you development as a student and professional.

In conjunction with the Mvskoke Language Preservation Program, we would like provide this two-part budgeting tool, "**Toknawv Vhecetv**" ("*To take care of money*"), for your personal use to help plan and manage your expenses during your student career. The first budget item matches your living expenses with income and the second budget is your school expenses matched with your student income (grants, scholarships, etc.)

Be Sure to Plan Ahead! Mvto and Good Luck!
