Thank you for your generosity and support from everyone at the Muscogee (Creek) Nation, Children and Family Services Administration. These gifts ensure some of Muscogee (Creek) Nation's most vulnerable population a joyful and wonderful Christmas.

Once you have registered for an Angel, an Angel Tree Coordinator will be in contact to notify you of your assigned Angel Tree Card. You and/or your organization will receive a copy of your responses via email to the provided email address for your records. You may also request a hard copy to be mailed.

After you have purchased the angel gifts, please call the Angel Tree Coordinator at 918-752-5443. The coordinator will then work with you to set up the safest and most convenient process of returning the gifts to the Children & Family Services Administration.

Again, thank you so much for your caring and thoughtfulness for our Muscogee (Creek) Nation children.
